

Premier of Ontario - Première ministre de l'Ontario

July 1, 2014

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I am delighted to extend warm greetings to Ontario's Indo Canadian community as you mark our nation's birthday through your Canada Day celebration and Indo Canadian Music Talent Show.

Canada is a country built on the values of diversity and respect for all cultures, languages and beliefs. Today, we honour our roots and cultural heritage, even as we remain proud Canadians. It is great to see Ontario's flourishing Indo Canadian community celebrating our nation's birthday through its own rich musical arts and traditions.

I thank the directors and executive committee of Sankara Vedic Culture and Arts and everyone whose hard work has ensured the success of this event. Know that you are helping build a strong and proud Indo Canadian community within a diverse and dynamic Ontario.

Please accept my best wishes for a memorable Canada Day celebration and show.
