Ekaiko gow sthraya simhaah pancha vyaagraf prasoothibhihi/
Adharmo nashta santhaano dharmassanthaana vardhanaha//

Meaning:

Although lion cubs are born in quintuplets and tiger cubs are born in triplets, the non-righteousness of lions and tigers destroys their young ones and leads to their extinction. Though born one at a time, calves stay alive and their generation continues to flourish due to the righteousness of cows.

Thus, following the path of dharma will result in true growth, prosperity and contentment.
